In accordance with State of Michigan camp licensing requirements, campers will only be released to Authorized Persons. Authorized Persons include the camper's parent(s) or legal guardian(s) as listed in the camper information section, and other person(s) authorized in writing by the camper's parent or legal guardian.

If you will be carpooling with other campers, or would like to authorize other persons to whom your child may be released (i.e. relative, babysitter, etc.), you must complete this section.
